## NATIONAL SCHOOL BREAKFAST WEEK 2025 RECAP

Davis Elementary organized a breakfast contest for the school, inviting each classroom to submit a healthy breakfast item they'd love to see featured on the menu. Three winning entries were selected, and we proudly served their creations during National School Breakfast Week.

Celebrations continued in Allentown and at State College, PA where staff "clued-in" with their best costumes.

# FUN AT SEVEN SPRINGS FOR THE ANNUAL DIRECTOR'S WORKSHOP

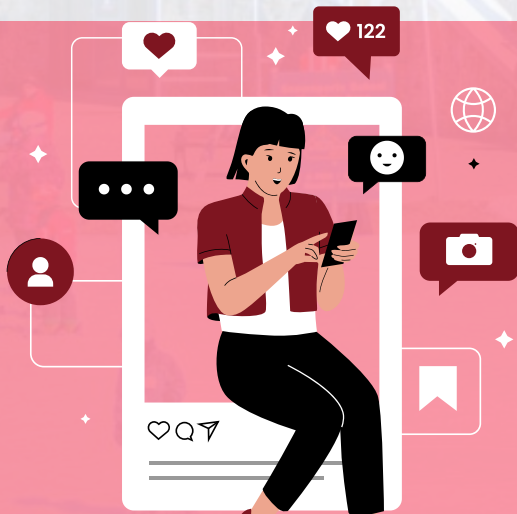

The 2025 SNAPA Director's Workshop took place on March 17-18, 2025, at Seven Springs Mountain Resort. This two-day event was designed for school nutrition leaders, offering a mix of inspiration, education, and networking opportunities. The workshops covered a variety of essential topics for nutrition professionals, with hands-on learning experiences aimed at enhancing leadership skills. On March 18, the event also featured a Partner Tabletop Show, where industry partners showcased their products.

Thank you to all who made this event possible and to School Food Rocks for hosting. The impact of this event will certainly "Elevate School Meals" in the coming year.

If you are a school nutrition director, consider joining us next year for an opportunity to sharpen your leadership skills and better serve the children of PA. We look forward to seeing you there!

## CONGRESS PROPOSES MEAL PROGRAM CUTS

A budget resolution passed by the U.S. House of Representatives in February directs the Education and Workforce Committee to cut \$330 billion in spending over the next decade on programs that it oversees, including school meal programs.

GoErie examines the impact this could have on students in Erie County Public Schools.
