2019-2020 BOARD OF DIRECTORS REPORT

Submitted by: Susan E Eichelberger

Board Position: Manager – Employee Rep.

Board Meeting Date: Sunday July 28, 2019

News to Share Since Our Last Board Meeting:

New or Big Ideas: *(Brief description of exciting new ideas you are hearing about from state leaders, SNA members, allied organizations, industry partners, etc.)* I attended the knife training and cooking with Project Pa. and Chef Bill, I was able to talk about the upcoming conference with several of my classmates. I'm always amazed that there are still schools in our local area that don't know who we are and that we offer training at our meetings. My goal is to get the word out to more staffs and let them know who we are. Excited to hear about the changes in the lunch shaming laws. What we can do and what we are not allowed to do, to be able to collect delinquent accounts.

Goals: *(Discuss your short-term goals related to your board position)* To attend Local Meetings, let our Members know who we are and that they have a voice. Continue to work with the education committee, and Conference committee to make sure the needs of the managers and line staff are met. To listen to what they are interested in learning and push for the training that they are interested in.

Chapter Meetings: Our last Chapter meeting was in April: Attended a Red Rose planning meeting and I believe we have Chapter meeting set up for the next year Our first meeting is set up Sept 26 It will be the Food show.

Other Meetings Attended: *(Brief description of meetings with other organizations, committee meetings, national or regional meetings, etc.)* **I have been involved with the conference committee meeting each week. Would like to Thank all the Leaders in this. years Conference. I hope it turns out fantastic, you all have worked very hard.**
