2017-2018 BOARD OF DIRECTORS REPORT

Making the right food choices, together.

Submitted By: Nicole Melia

Board Position: President Elect

Board Meeting Date: May 17th

News to Share Since Last Board Meeting:

The conference committee is sad to lose Liz Henry as the conference committee chair, however we wish her luck in her future endeavors.

LAC was very successful and we learned a lot. I met with Ryan Costello in person, it is always nice to get some face time with the representatives.

We have been continuing to have regular conference committee meeting and are looking forward to getting some in person time on May 16th.

We have worked through the budget proposal for the May meeting. We also are going to be meeting in the next few weeks to discuss the strategic planning to make sure are plan and budget are aligned.

National Leadership Conference in Long Beach California was a wonderful trip! I learned a lot at the Preparing for the Presidency Pre-con about the responsibilities the president holds and how to be a better leader though SNA. I will be adding some information on the Duty of Care, Loyalty and Obedience to the Board Orientation in August.

I attended financial management classes and strategic planning classes to help me to improve our strategic planning process in the future.

New or Big Ideas: *(Brief description of exciting new ideas you are hearing about from state leaders, SNA members, allied organizations, industry partners, etc.)*

We are working on drafting a letter to representatives for Act 55 Section 1337- meals for student with insufficient funds and are meeting with David Hinkernell's Aide on Tuesday May 15th.

I would like to propose that we consider charging non SNA member directors \$150 for the conference in Hershey which would include them becoming SNA members which would give SNAPA a return as well as give us \$25 from each director towards the conference. SNA member directors would pay \$25 to attend the conference.

I am looking at trying an order ahead program in my district and just purchased digital menu boards to enhance my signage.

Chapter Meetings:

Chapter 9 is meeting on the 26th. I am not able to attend due to NLC.

Other Meetings Attended: *(Brief description of meetings with other organizations, committee meetings, national or regional meetings, etc.)*

LAC, NLC,
